1

Put your feet on the lower cross bar and, exerting mild force, push outwards at cross bar (A). At the same time, push the seat backward with mild force at (B).

Położ stopy na dolnej poprzeczce, używając niewielkiej siły, wypchnij poprzeczkę (A) na zewnątrz. W tym samym czasie pchnij siedzisko do tyłu z niewielką siłą na (B).

2

The locking system allows you to lock the chair in any position. Simply lean back, lock your position and enjoy your comfortable lying time.

System blokady umożliwia zablokowanie fotela w dowolnej pozycji. Wystarczy odchylić się do tyłu, zablokować pozycję i cieszyć się wygodnym leżeniem.
