The diagram illustrates the steps to use the Space Bag for packing items:

- Step 1:** A rectangular item (labeled **F**) is placed inside the bag. The bag is then folded over the item, and the top edge is sealed with a zipper (indicated by a scissors icon).
- Step 2:** The bag is folded again, creating a compact, rectangular shape (labeled **x2**).
- Step 3:** The bag is placed inside a larger container (labeled **E**). A circular inset shows a close-up of the zipper being closed.
- Step 4:** The bag is placed inside a larger container (labeled **E**). A circular inset shows a close-up of the zipper being closed.
- Step 5:** The bag is placed inside a larger container (labeled **E**). A circular inset shows a close-up of the zipper being closed.
- Step 6:** The bag is placed inside a larger container (labeled **E**). A circular inset shows a close-up of the zipper being closed.
